[illegible]

An abstract geometric composition featuring a large, solid black shape that dominates the left and center. This shape is composed of several interconnected polygons, including a large triangle and a quadrilateral. To the right of the black shape, there is a white area with a grid of thin black lines. The grid is composed of horizontal and vertical lines, creating a series of rectangular cells. Some cells are filled with a light gray color, while others are white. The overall composition is minimalist and geometric, with a strong contrast between the black and white areas.
